WHAT WILSONART WILL DO:

If a Warranted Product is found not to be, or have performed, as warranted during the specified Warranty Period:

For Approved Warranty Claims for **Manufacturing Defects** Made Within the Specified Warranty Period: If the Warranted Product were installed by a professional installer, Wilsonart will provide the material and labor to repair or replace the Warranted Product with a Wilsonart Interior Residential Flooring Product, at its option. If the Warranted Product were not installed by a professional installer, Wilsonart will provide **material only** for the repair or replacement, at its option, and **no** labor costs will be paid. Any provision of flooring materials under this warranty is limited to colors and styles of Wilsonart Interior Residential Flooring Products that are available at the time of repair or replacement. If the original design or color is no longer available, Wilsonart will provide replacement Wilsonart material of a similar design and cost to the original flooring.

For Approved Warranty Claims for **Impact Damage** Made Within the Specified Warranty Period: If the Warranted Product were installed by a professional installer, Wilsonart will provide the material and labor to replace up to a maximum of five (5) planks or tiles of the Warranted Product during the Warranty Period. If the Warranted Product were not installed by a professional installer, Wilsonart will provide the material to replace up to a maximum of 5 planks or tiles of the Warranted Product during the Warranty Period, but no labor costs will be paid. Warranty coverage shall not exceed the 5 planks or tiles specified herein, but the claim per plank or tile may be aggregated or made separately during the applicable Warranty Period. If the original flooring is no longer available, Wilsonart will pay a total of \$50 per plank or tile, or a maximum of \$250.

For All Other Approved Warranty Claims Made During The 1st Year After Date of Purchase: If the Warranted Product were installed by a professional installer, Wilsonart will provide the material and labor to repair or replace the Warranted Product with a Wilsonart Interior Residential Flooring Product, at its option. If the Warranted Product were not installed by a professional installer, Wilsonart will provide **material only** for the repair or replacement, and **no** labor costs will be paid. Any provision of flooring materials under this warranty is limited to colors and styles of Wilsonart Interior Residential Flooring Products that are available at the time of repair or replacement. If the original design or color is no longer available, Wilsonart will provide replacement Wilsonart material of a similar design and cost to the original flooring.

For All Other Approved Warranty Claims Made Between the 1st and 25th Year After Date of Purchase: If the Warranted Product were installed by a professional installer, Wilsonart will pay a percentage of the reasonable material and labor costs for repair or replacement with a Wilsonart Interior Residential Flooring Product, at its option. This percentage will be based on the remaining Warranty Period up to 25 years after date of purchase for the particular product at the time of the warranty claim. For example, if a warranty claim were made on Classic, which has a 20 year warranty, in the 12th year after the date of purchase, the remaining Warranty Period would be 8 years, and

Wilsonart would pay 8/20ths or 40% of the reasonable material and labor costs. With respect to an approved warranty claim submitted 5 years after the date of purchase for Red Label, which has a Lifetime warranty, Wilsonart will pay 20/25ths or 80% of the reasonable material and labor costs. If the Warranted Product were not installed by a professional installer, Wilsonart will pay a percentage of the reasonable **material costs only** for the repair or replacement with a Wilsonart Interior Residential Flooring Product, at its option. This percentage will be based on the remaining Warranty Period for the particular product at the time of warranty claim up to 25 years after date of purchase, but **no** labor costs will be paid or included in the percentage calculation.

For Approved Warranty Claims Made After 25 Years After Date of Purchase on Lifetime Warranted Products: Wilsonart will provide to the original consumer purchaser a 5% discount of the reasonable material costs to replace the Warranted Product with a Wilsonart Interior Residential Flooring Product. For example, for an approved warranty claim submitted 30 years after the date of purchase of Red Label, which has a Lifetime warranty, Wilsonart would provide 5% discount on the material costs of replacement.

No repair, replacement or payment under this warranty shall extend the warranty period.
